Sub: English

Class 9

Unit: 2

Topic: Nima's letter to her brother

Specific objective: students will get to know about importance of English language

Summary:

In this unit the topic is focused on advices, suggestions especially from the sister Nima to her brother Lhakpa telling him some ways of improving English language. Actually sister Nima on the basis of her experience who is in abroad suggests her brother to work hard on English language to improve by listening to radio programs in English, copying and repeating people speaking in English, having conversation among people, using English dictionary. Here the sister also advises her brother to be better in English language both verbally and in the written form expressing the importance of the international language. Finally the sister promises to come back to Nepal in Lhosar with audiovisual materials on how the native speaker use English
