Heartfelt Condolence

We are very sorry for the sudden loss of our Vice principal's father. May his Soul rest in peace and the god provide strength to his family to overcome the pain.

My school memories

Memories are the part of everyone's life. There are many stages in our life. Among those stages, school life is the most important period of our life. It is the most important period of our life. It is also an important function of school life. Everyone's future depends upon it. School life is the best memory of human life. This is the stage in which our hopes depend upon. The school life is the best phase of our life.

Our school life is always the best time of our lives. Furthermore, it is the only time when I can meet all my friends. My school time is the only time when I enjoy a lot. I got to play many outdoor and indoor games. I got to do many activities with my best friends. I always had a good term with my friends. The best thing about school life is that we don't have any burden on our shoulders. All we have to do is eat, sleep and study well. In our school life, we got to learn a lot. Our school teaches us norms, values, goodwill and enlists many more good qualities in us. Sometimes in school we might have been scolded by our teachers and principals but anyway they always do it for us and for our good career and future. My all teachers were very supportive and helpful that's why I am able to pass any kinds of difficult situation now. Now I can stand strong. The school life is the wonderful period of everyone's life. Apart from getting education, the students learn a lot of things from the school environment including patience, sincerity, loyalty, honesty, friendship, discipline, punctuality, and so on. The school is really an unforgettable phase of our whole life experiences. The memories of school life period are obviously the treasure to cherish for the rest of our life. The school life is the best life. A person, who has been the student knows what school life is. The school life is the golden time period of learning. It is the school life that is blessed with the best ever friends for the rest of our life. I have the best school life memories. They are like the treasure for me. The joys, moments of school life are unconditional. Everyone has the best school life memory. And definitely, I also have one of the best school memories and that was I won prize in inter school quiz competition.

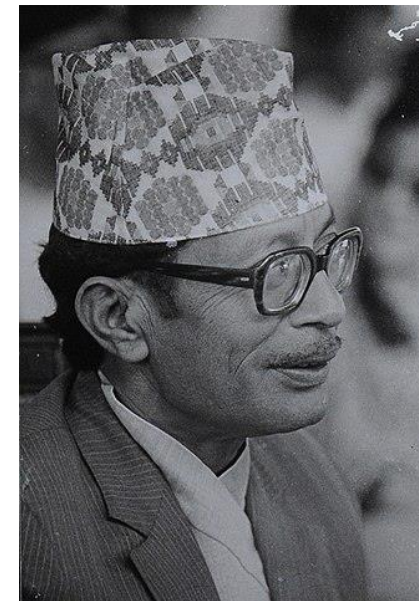

To sum up, the joys of school life are surely countless. The school days are the best days of our lives. I won't forget my school life memories ever.
